EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year, and for the other months, use the Letters following to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

NOTICE.

DIRECTIONS TO THE CITY PEDESTRIANS.

To avoid jostling in meeting upon the Foot-pavements, observe the general rule, "Keep to the Right," or, in other words, allow those that you meet to pass on your left. If this well-known rule were more generally acted upon, much inconvenience would be avoided in our crowded Thoroughfares.

STAMP AND LEGACY DUTIES, ETC.

ADHESIVE STAMPS.—The Board of Inland Revenue gave notice by advertisement, 20th April 1862, that an impressed stamp of 1d., and an adhesive stamp of 1d., had been provided to be used indiscriminately for *Receipts, Drafts, Certified Copies of Registers of Births, Baptisms, Marriages, Deaths and Burials, Contract Notes, Delivery Orders, Policies of Insurance against accidents in travelling.* The adhesive stamp has "Inland Revenue" around a bust portrait of her Majesty, and below "One Penny." The impressed stamp has on it "One Penny," and the date in figures. The old stamps may still be used. The stamps appropriated by name are, *Bills and Promissory Notes, Bills of Lading, Proxy impressed Stamps, and Postage Stamps.*

In cancelling adhesive stamps, instead of writing the name of the party or his firm in full, it shall be sufficient if the initials shall be written, stamped, or impressed in ink on the stamp, together with any other particulars required by law, provided the stamp shall be effectually cancelled, so as not to admit of being again used. (24 & 25 Vict. c. 91, § 33.)

See **STAMPING OF DEEDS** after being executed.

ADMISSION as a burgess, or into any Corporation or Company in any Burgh in Scotland, in lieu of the duties of £1 and £3 formerly payable, 5s.

AFFIDAVITS and DECLARATIONS, (23 Vict. c. 15).—For every sheet or piece of paper, parchment, or vellum, on which the same shall be written or printed, 2s. 6d. (Affidavits and declarations authorised to be made before Justices of Peace are exempted.)

AGREEMENT, (on and after 3d April 1860,) for a Lease or Tack of *Lands, &c.*, not exceeding seven years; and,

AGREEMENT, MINUTE, or MEMORANDUM, (on and after 3d April 1860,) containing the terms and conditions on which *Lands, &c.*, are let, held, or occupied for any *such term.* *The same duty as on a Lease or Tack.*

Provided that any Lease or Tack afterwards made, in pursuance of and conformably to the above, shall be charged with the Lease duty, but not higher than 2s. 6d., exclusive of Progressive duty, notwithstanding the terms and conditions may be varied, not affecting the Stamp duty. The Lease may be impressed with a stamp denoting the payment of the proper duty on the Agreement, Minute, or Memorandum.

AGREEMENT or MEMORANDUM (after 5th July 1865) for letting a dwelling-house or tenement, or part of such, for less than a year, at a rent payable weekly or monthly, and not exceeding the rate of 3s. 6d. a-week, (28 and 29 Vict. c. 96, § 5.) 1d.

AGREEMENT containing the terms and conditions on which a furnished dwelling-house is let for a period less than a year, where the rent for such period shall exceed £25, duty, 2s. 6d.

[The stamp, if adhesive, to be cancelled by the parties to the instrument (if exceeding two, one on each side only) by writing upon or across the stamp his name, and before or at the time of the first party signing the instrument, the date of the instrument must be written on the stamp. In default, stamp of no avail. Proof of writing upon or across the stamp a necessary part of the evidence of signing or making the instrument. Every person who signs incurs a penalty of £5, if instrument has not on it an impressed stamp or adhesive stamp cancelled, or who does not sign across adhesive stamp, and also the agent who may have prepared the instrument. (24 and 25 Vict. c. 21, § 14 and 15.)]

AGREEMENT, or minute or memorandum of Agreement, without a clause of registration and not charged otherwise, nor expressly exempted from all Stamp duty, where the matter is of the value of £5 or upwards, whether the same shall be only evidence of a contract, or obligatory upon the parties from its being a written instrument, together with every schedule, receipt, &c., endorsed or annexed, 6d.

Progressive duty on words, 6d.

Letters forming an Agreement. If any of such Letters shall be stamped with a duty

of 1s., it shall be sufficient, although the same shall in the whole contain any quantity of words exceeding 2160.

Exemptions.—Agreements for the hire of any labourer, artificer, manufacturer, or menial servant.

Memorandum or agreement for or relating to the sale of any goods, wares, or merchandise.

Agreements in compliance with or under the provisions of the Merchant Seaman's Act, 7 and 8 Vict. c. 112, or the Mercantile Marine Act, 13 & 14 Vict. c. 93.

Note.—The Agreement, if liable to one duty of 6d., may be stamped if brought to the Commissioners at London, or their office at Edinburgh, or lodged with the distributors of stamps in the country, within fourteen days after being made. If after, at London or Edinburgh, on a penalty of £10. (7 & 8 Vict. c. 21, § 5.) If the matter of the Agreement shall be under the value of £20, the penalty is 20s. If liable to further duty than 6d., it is subject to the same Regulations as Deeds. See Stamping of Deeds.—The duty of 6d. on an Agreement may be denoted by an adhesive stamp; but every party who signs the Agreement must, at time of so signing, write upon or across the stamp his name, and date of the day and year of writing the same. In default, stamp of no avail. Proof of writing upon or across the stamp as aforesaid, a necessary part of the evidence of the Agreement. (23 & 24 Vict. c. 111, § 12.)

Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above. The word "endorsed" is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be endorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purporting, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in

a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (*Id.* § 6.) This applies only to bills drawn within and payable out of the United Kingdom. **BILLS** payable on demand, and endorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as inland bills not payable on demand. (27 & 28 Vict. c. 56, § 2.)

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory

note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

lands or other property, or *other matter or thing*, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties. If an annuity is provided to widow or others, such is liable to Bond of Annuity Stamp Duty. Obligations to pay sums to widow, such as for mournings, are liable to *ad valorem* Bond Duty. All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or

charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 and 18 Vict. cap. 83, § 13.

[Stamps may be impressed or affixed. Where adhesive stamps are affixed, the granter is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission,—£10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5; 24 and 25 Vict. c. 91, § 33.)]

SCHEDULE OR INVENTORY of heritage or movables, or containing the terms of any proposed sale, lease, &c., or regulations for the

cultivation and management of any farm, &c., separate from and referred to in lease, bond, deed, agreement, &c., chargeable with any Stamp duty not exceeding 10s.—The same duty as shall be chargeable on such lease, bond, agreement, &c.; and where referred to in such, chargeable with a duty exceeding 10s.,—10s. Progressive duty,—10s.

(16 and 17 Vict. c. 63.)

SETTLEMENT.—Any deed or instrument, whether voluntary or gratuitous, or upon any consideration other than a *bona fide* pecuniary consideration, whereby any *definite and certain* principal sum or sums of money, or any *definite and certain* shares in any stocks or funds, shall be settled or agreed to be settled upon or for the benefit of any person or persons, either in possession or reversion, either absolutely, or for life or other partial interest, or in any other manner whatsoever,—if such sum or sums, or the value of such share or shares, together, shall not exceed in the whole £100,—5s.

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

Bonds, debentures, policies of insurance, covenants, or contracts settled, or agreed to be settled, shall be deemed to be settlements of the principal sums of money in them. But in the case of policies of insurance, if no provision for keeping them up, the duty shall be charged only on the value of such policies. (27 Vict. c. 18, § 12.)

As to the mode of ascertaining the value of the foreign and colonial stocks, funds, and securities, and sums in foreign and colonial currency, see *ib.* § 13.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

Exemption from this ad valorem duty.—

INVENTORY DUTY.

I. PERSONAL ESTATE :—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the Books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 and 22 Vict. c. 56, §§ 3 and 8.)

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor

of the Commissary finding that the deceased died domiciled in *Scotland*, is to be returned sealed, and is thereafter to have the same force and effect in *England* and *Ireland*, as if Probate or Letters of Administration had been granted by these Courts. (21 and 22 Vict. c. 56, §§ 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and *Ireland* where the deceased died domiciled in *Scotland*, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in *England* and *Ireland*. It is therefore still competent to pay Inventory Duty on the Estate situated in *Scotland*, and Probate or Administration Duty in respect of the estate in *England* and *Ireland*. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in *Scotland*, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in *England* or *Ireland*, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be chargeable only with such amount of Stamp Duty as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount of Stamp Duty, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased, (*Ib.* § 5.) Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, (23 Vict. c. 5, § 1.) Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered, (27 & 28 Vict. c. 56,) and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inven-

tory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors." (23 and 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860, declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty*. Section 1 is in these terms:—

Description of Property liable to Duty, and Commencement of Duty.

"All money secured on heritable property in Scotland, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of April in the year 1860, shall be liable to Inventory Duty under the said recited Act."

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, §§ 3 and 4:—

Two Modes of Paying the Duty.

1. By a "Special Inventory" of the property, to be lodged with the Solicitor of

Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and moveable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860, (23 and 24 Vict. c. 88, § 1;) but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the

Act, (6th August 1860,) without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a "Special Inventory" of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and Duty paid on such in respect of the property in each country.

For Probate and Administration Duty, Debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

OPINION.

WE are of opinion that it is sufficient in the Inventory given up of the Estate of a person deceased for confirmation, to set forth the value of the Estate as at the date when the Inventory is given up, and that it is not also necessary to set forth the value as at the date of death. We further think, that the statutory form of confirmation contained in Schedule E of the Act 21 and 22 Vict. c. 56, must be modified, in order to be in accordance with the still more recent Statute, 23 and 24 Vict. c. 80, by leaving out the words "at the time of his death." RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict., c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict., c. 80, §§ 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 and 25 Vict., cap. 92, § 3.)

LEGACY-DUTY.

On Legacies, Residues, &c. Duty per cent.
 To children or their descendants, £1 0
 or lineal ancestors, 3 0
 Brother or sister, or descendant, 3 0
 Uncle or aunt, or their descendants, 5 0
 Grand uncle or aunt, or their descendants, 6 0
 All other relations or strangers, 10 0
 The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such near relationship. (16 and 17 Vict., cap. 51, § 11.)
 This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part

thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III., cap. 184, schedule part III.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Succession Duty Act, (16 & 17 Vict., c. 51;) and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act, (36 Geo. III., cap. 52.)

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853 (16 & 17 Vict., c. 51, §§ 2 and 54,) and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as

an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

The property chargeable with duty is called "Succession," (§ 1,) and "Successor" denotes the person entitled to it, and "Predecessor" the person from whom the interest of the Successor is derived, (§ 2.)

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country.

DISCOUNT ON THE PURCHASE OF STAMPS.

To persons who, after 31st December 1860, at one and the same time, shall produce at the office of Inland Revenue in *London* or *Dublin*, paper to be stamped with, or shall purchase at the office in *London*, *Edinburgh*, or *Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange*, *Drafts* or *Orders*, or *Promissory*

Notes, or *Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 and 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty,—£10. (16. § 25.)

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If the stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill

be produced, in all respects the same excepting the correction of the error. As to the exchange of sea policies of insurance, see 54 Geo. III. c. 133.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3d and 4th Will. IV., c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of In-

land Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 and 14 Vict., c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfac-

tion of the Commissioners. (13 and 14 Vict., c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may be affixed to any instrument, an officer of Inland Revenue, authorised by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 and 25 Vict., c. 91, § 32.)

N.B.—Instruments are received at the Solicitor's Office, Inland Revenue, Waterloo Place, Edinburgh, to be stamped, if within two months of the first date, (the

Solicitor may, in certain circumstances, receive them within two months of the last date,) on payment of the duty; if beyond that date, on payment of the duty and penalty. Parties, on applying, will be furnished with a schedule, and after being filled up, it is to be presented, along with the instrument, at the Solicitor's Office, No. 5 Inland Revenue, between 10 and 12 o'clock, on Mondays and Wednesdays only. The amount of duty wished to be impressed on the instrument is to be inserted by the applicant before being presented at the Solicitor's Office; and afterwards he pays it, and the penalty, if any, to the cashier, No. 3, Lobby. As to stamping Agreements and Charter-Parties, (which are received at the Cashier's Office, No. 3 Lobby, between 10 and 1 o'clock from Monday to Friday, and on Saturdays between 10 and 12) see Notes under these heads.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh) and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid, and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. On the Stamp duties assessed being paid, and 40s. for costs being deposited, the opinion of the Commissioners may be appealed against to the Court of Exchequer in Scotland, if the deed has been presented for the opinion of the Commissioners at their office in Edinburgh; to the Court of Exchequer at Westminster, if the deed has been presented at London; to the Court of Exchequer in Ireland, if the deed has been presented in Dublin. (13 and 14 Vict., c. 97, § 14 and 15; 28 & 29

Vict., c. 96, § 22.) The Commissioners may also adjudge on deeds not liable to any stamp duty; and if any duty is assessed, the party may appeal. (16 and 17 Vict., c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely, (*see above*.) The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3, Lobby. Then the schedule, (the duty to be impressed of course not being inserted in the schedule,) the instrument after execution, and a copy (written on foolscap paper) of it, (omitting the bounding description of lands, &c., and having appended to it a table giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page of the copy on which each commences,) are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party, who can give explanation, must call on the chief clerk of the Solicitor's Department, No. 6; and he should be prepared to pay the proper duty, and penalty, if any, to the Cashier, No. 3, Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the de-

noting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5,

Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. A transmission of them is made once a-week to the Head-Office. The principal instrument, as well as the duplicate, must be lodged, and both must

appear to be properly stamped, otherwise they will not be transmitted.
Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

It will be seen from the first of these Tables that in London there was one receptacle of letters to every 813 houses in 1854, and to every 426 houses in 1863; in Scotland, one receptacle of letters to every 350 houses in 1854, and to every 261 houses in 1863; in Ireland, one receptacle of letters to every 782 houses in 1854, and to every 513 houses in 1863.

The number of letters delivered in 1844 was 189,000,000 in England and Wales; 27,000,000 in Scotland; 26,000,000 in Ireland; 242,000,000 in the United Kingdom. The number delivered in 1853 was 329,000,000 in England and Wales; 41,000,000 in Scotland; 40,000,000 in Ireland; 410,000,000 in the United Kingdom. The increase in the number of letters delivered in 1853 over the number delivered in 1844 was 140,000,000 in England and Wales; 14,000,000 in Scotland; 14,000,000 in Ireland; 168,000,000 in the United Kingdom. The increase in the number of letters delivered in 1863 over the number delivered in 1854 was 171,000,000 in England and Wales; 17,000,000 in Scotland; 11,000,000 in Ireland; 199,000,000 in the United Kingdom.

In 1854, a letter despatched from London to Edinburgh or Glasgow by the night mail of Monday could not have been delivered till about noon on Tuesday. There would then have been an interval of only two hours between the delivery of the letter and the despatch of the next mail to London; and as this interval would have been too short to admit of the reply being prepared in it, except in very peculiar or special cases, the reply would not, in ordinary course, have been despatched from Edinburgh or Glasgow until about 8 P.M. on Tuesday, and would not have been delivered in London until the afternoon of Wednesday. Now, however, a letter despatched from London to Edinburgh or Glasgow by the night mail of Monday is delivered in Edinburgh or Glasgow early on Tuesday morning. The interval for reply extends over the ordinary hours of business, and the reply, if it be despatched from Edinburgh or Glasgow by the night mail,—that is, after the close of business on Tuesday,—is delivered in London before the commencement of business on Wednesday morning. Thus, the time required for the transmission of a letter from London to Edinburgh or Glasgow, and for the receipt of a reply, has been shortened by upwards of four hours, while the interval allowed for the reply has been lengthened from six to eight hours; the time gained by the public being in either case gained in the

most valuable part of the day. But the effect of the acceleration on the correspondence of places lying north of Edinburgh is still more remarkable. In 1854, a letter despatched from London to Aberdeen by the night mail of Monday would not have arrived in Aberdeen until 5 P.M. on Tuesday. A reply might have been despatched from Aberdeen at 8.40 on Wednesday morning; but it will be obvious that the interval between 5 P.M. and 8 A.M. could not conveniently be employed for business purposes. If, however, the reply had been despatched from Aberdeen on Wednesday morning, it would not have been delivered in London until Thursday. Now, if a letter be despatched from London to Aberdeen on Monday night, it is delivered in Aberdeen soon after noon on Tuesday, and the reply may be written during the hours of business, and despatched on Tuesday, so as to reach London in time for delivery before noon on Wednesday. Thus, the time for the transmission of a letter from London to Aberdeen, and for the receipt of a reply, has, since the beginning of the year 1859, been shortened, for all practical purposes, to the extent of one day.

The following Table shows the force or numbers of persons employed in the Post-office, (distinguishing effective from pensioners or non-effective;) the cost of collection and delivery, of management, and of money-order business; the cost of conveyance of mails, (distinguishing conveyance by coaches, carts, and omnibuses from conveyance by railways, and conveyance by ships and packets;) and the total cost of the Post-office service in each of the ten years from 1854 to 1863:—

In 1863, the cost of manufacture of postage stamps was £18,485; of stationery, £26,617; of buildings and repairs, rents, rates, taxes, fuel, and light, £81,548; of supply and repair of mail bags and boxes, tolls and ferryage, and other miscellaneous charges, £20,189; of the conveyance of mails over the Isthmus of Suez, the Isthmus of Panama, and elsewhere in foreign parts, £29,542.

The next table shows the gross and net revenue of the Post-office, (distinguishing the gross revenue from letters, books, packets, &c.; and the amount of commission on money-orders; and the produce of the impressed stamp on newspapers collected by the Inland Revenue Office,) in each year from 1854 to 1863:—

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
RIGHT HONOURABLE LORD STANLEY OF ALDERLEY.

I.—RATES OF POSTAGE, and Conditions of Transmission.

Inland Letters.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If paid in advance.

Letter weighing	not more than half-an-ounce	1d.
" "	more than half-an-ounce but not exceeding one ounce	2d.
" "	more than one ounce but not exceeding one and a half	3d.
" "	more than one and a half ounces but not exceeding two	4d.
" "	more than two ounces but not exceeding two and a half	5d.
" "	more than two and a half ounces but not exceeding three	6d.

Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example, weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, must, on delivery, be charged twopence. The unpaid *additional* postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

Colonial and Foreign Letters.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

Addresses to the Queen and Petitions to Parliament.

Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

Newspapers and other periodical Publications bearing the Newspaper Stamp.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp

duty, (of the kind formerly confined chiefly to newspapers,) may be transmitted and re-transmitted through the post within the United Kingdom free from postage under the following regulations, viz :—

1. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shewn in the following Table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4590 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of one penny.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard, or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
8. It must contain no enclosure.
9. It must have no writing or other mark thereon, but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of one penny, which must be prepaid by affixing a postage stamp. If this be not done an additional postage of 2d. will be charged.
11. When a newspaper, &c., is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, &c., be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged twopence. In case of any other irregularity, the publication is dealt with in accordance with the regulations of the book post.
12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications which have been issued more than fifteen days, can be forwarded within the United Kingdom and to most of the colonies under the regulations of the book post.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3rd, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage, (British Postal Guide;) and this postage must be prepaid in stamps. As respects newspapers going abroad the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, ad-

dressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia. In all cases where the above-mentioned printed papers are allowed to circulate by the post, they are chargeable in Russia with a foreign rate of postage, in addition to the rate chargeable in this country.

Parliamentary Proceedings.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the following rates of postage:—

Weighing not more than four ounces	1d.
„ more than four ounces but not exceeding eight ounces	2d.
„ more than eight ounces but not exceeding twelve ounces	3d.
„ more than twelve ounces but not exceeding sixteen ounces	4d.

And so on; one penny being charged for every additional four ounces.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference is only charged. The words *PAR. PRO.* should be invariably written or printed on the cover.

To the British colonies and possessions in West Indies, Canada, Hong Kong, Ceylon, Malta, and Gibraltar, the rates chargeable on Votes and Proceedings are the same as printed books, and to certain other colonies, according to Book-rate.

Inland Book Post.

At the following charges, and on the subjoined conditions, book packets may be sent by the post to any place within the United Kingdom:—

Weighing not more than four ounces	1d.
„ more than four ounces and not exceeding eight ounces	2d.
„ more than eight ounces and not exceeding twelve ounces	3d.
„ more than twelve ounces and not exceeding 1 pound	4d.

And so on; 1d. being charged for every additional four ounces.

1. The postage must be prepaid in full, by means of postage stamps affixed outside the packet or its cover.
2. Every packet must be sent either without a cover, or in a cover open at the ends or sides.
3. A book packet may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum (to the exclusion, however, of letters, whether sealed or open.) And the books or other publications, prints, maps, &c., may be either printed, written, or plain, or any mixture of the three. Further, all legitimate binding, mounting, or covering of a book, publication, &c., or of a portion thereof, will be allowed, whether such binding, &c., be loose or attached; as also rollers, in the case of prints or maps; markers (whether of paper or otherwise,) in the case of books; and, in short, whatever is necessary for the safe transmission of the packet, or usually appertains thereto, but no patterns or books of patterns can be admitted.
4. A book packet, whatever may be the postage paid thereon, must not contain any *written* letter, closed or open, or any enclosure sealed or otherwise closed against inspection. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter, and may therefore be made.
5. No book packet can be received, if it exceeds two feet in length, and one foot in width or depth.
6. Any packet which shall not be open at the end or sides, or shall have any written letter or any communication of the nature of a letter in it, or upon its cover, is charged with the “unpaid” or double letter postage.
7. If a packet be found to contain any letter, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorised enclosure, the letter or enclosure is taken out and forwarded to the address on the packet, charged with the full postage, as an unpaid letter, together with an additional rate of 1d.; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.
8. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of 1d., it must be forwarded, charged with the deficient book postage, together with an additional rate of 1d.; but any packet which shall bear no postage stamp is charged with the “unpaid” or double letter postage.
9. In every case in which the postage charged upon a packet under these regulations would be greater than the letter rate, the latter postage is substituted.

At the following rates Books and Printed Papers may also be sent to the undermentioned Foreign Countries if in covers open at the ends or sides, but they must not contain any writing or other manuscript marks besides the name and address of the person to whom they are sent (except for those places specially mentioned), and the postage must be fully prepaid.

Precautions against Fraud, &c.

The Head Postmaster who first receives a book-packet is required, whenever he has ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine the packet; and every book-packet which is not open at the ends or sides, or which exceeds two feet in length, width, or depth, or which has any letter or any communication of the nature of a letter written or printed in it or upon its cover, or which does not bear postage stamps equal to a single book-rate, is ordered to be sent up, with as little delay as possible, to the Returned Letter Branch of the Circulation Office in London, Dublin, or Edinburgh, as the case may be; but in the case of any other infringement of the regulations, the packet is dealt with by the Postmaster himself.

To prevent obstacles to the regular transmission of letters, any Head Postmaster may, when necessary, delay forwarding a book-packet for a period not exceeding twenty-four hours beyond the

ordinary time : and at Packet Offices the delay may, at the option of the Postmaster, be either for that period, or until the despatch of the mail next after that by which the book-packet ought otherwise to be forwarded.

H.—REGISTRATION OF LETTERS.

The Regulations in force with regard to the Registration of Letters are as follows :—

1. That the Registration rate of Postage payable at any Post Office in the United Kingdom on Inland Letters Registered during the ordinary hours appointed for the Registration thereof at such Post Office, shall be *Fourpence*, and such Registration rate shall be payable in Stamps ; but this regulation shall not extend to the Registration rates chargeable and payable on Foreign Letters.

2. That all Letters, whether Inland, Colonial, or Foreign, may be Registered at the Metropolitan Chief Post Office, or at the London District Post Offices, (including the Lombard Street and Charing Cross Branch Post Office,) or at any Provincial Head Post Office in the United Kingdom after the ordinary hours appointed for the Registration thereof at any such Post Office, until the closing of the Letter Box for each Despatch, or until such Post Office is closed for the night, upon payment of a *late* Registration rate of Postage of *Fourpence*, which shall be payable in Stamps, in addition to the ordinary Registration rate, and to any other rates chargeable or payable thereon.

3. That all Letters containing Coin posted in any town or place in the United Kingdom, *addressed to any person, town, or place, in the United Kingdom*, and all Letters which shall have written or put thereon the word "Registered," or any other word or words of the like meaning or to the like effect, when posted, whether the same shall have or contain therein Coin or not, shall be delivered to the Post Office for Registration, and shall be Registered by the Post Office at the time of the same being posted, and a rate of Postage of *Fourpence* for every Letter so Registered shall be charged for the Registration thereof, in addition to any other rates of Postage payable thereon, or which may become chargeable thereon, under the regulations hereinbefore in the second clause mentioned. And every such Registration rate shall be paid in stamps at the time of such Letters being posted.

4. That if any such Letters shall be put into the Post Office without being Registered by the Post Office, and without the Registration rate or rates chargeable thereon being paid in Stamps as hereinbefore in the third clause is mentioned and directed, such Letters shall be Registered by any Post Office through which they may pass in course of transmission thereof by the Post, and shall be forwarded so Registered to their destination, and shall be charged with double the ordinary Registration rate of Postage of *Fourpence* in addition to any other rates of Postage chargeable or payable thereon, with a deduction, nevertheless, equal to the amount of any Stamps which may have been affixed to such Letters in payment or part payment of the Registration rate chargeable thereon.

5. That any such Letters as are hereinbefore in the fourth clause mentioned, may be detained for the purpose of being Registered by any Post Office through which they may pass in course of transmission thereof by the Post, until the next ordinary despatch to that by which they would have been forwarded, conveyed, and delivered, if they had been Registered by the Post Office according to the directions hereinbefore in the third clause mentioned.

6. That the third and fourth clauses hereinbefore contained shall not extend to any Letters sent to or from any of Her Majesty's Colonies or any Foreign Country.

Parliamentary Notices.

Parliamentary notices may be forwarded through the post under the following regulations :—

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter ; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such Parliamentary Notice should also be legibly printed or written on the face of the letter ; though this latter is not imperative.
2. These notices must be posted either at the General Post Office, St Martin's-le-Grand, in London ; the General Post Office in Dublin ; the General Post Office in Edinburgh ; or at the chief office at one or other of the following towns :—

Aberdeen

Athlone

Belfast

Birmingham

Bristol

Cork

Exeter

Glasgow

Inverness

Leeds

Lincoln

Liverpool

Manchester

Newcastle-upon-Tyne

Norwich

Shrewsbury

3. All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted on or before the 12th December, unless the 12th falls on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same order, may be served later than the 15th, may be posted after the 12th of that month.
4. The postages chargeable on these notices must be prepaid by stamps; the registration fee of sixpence on each notice being paid in the usual manner.
5. The notices must be posted at the Post-Office window, accompanied with duplicate lists of the addresses; the letters being arranged, for the convenience of comparison, in the order of the list. These lists are examined by the officer in attendance at the window; and if each list correspond with the address, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post-Office, London.

The hours for receiving both Parliamentary Notices and the undermentioned Voting Notices are the same as those for the registry of ordinary letters, unless the Parliamentary Notices be presented at such a time as to interfere with the ordinary duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same; providing that, when the notices are to be served on or before 15th December, such arrangement do not delay the posting beyond the 12th.

Whoever sends Parliamentary Notices should, if possible, arrange on the day before with the Postmaster as to the most convenient time for posting them, and state the probable number.

Voting Notices.

On prepayment of the postage and of a registration fee of twopence, a notice belonging to any one of the classes enumerated in the Act 6 Vict. c. 18 (relating to votes for members of Parliament) can be sent through the post with the securities for their safe delivery enjoined by law, provided it be brought duly directed, open and in duplicate, to a Postmaster of an office where Money-Orders are issued or paid. On receiving the notice, the Postmaster has to compare it with the duplicate, and if the two agree, the latter will be stamped and returned to the bearer.

Poll-books.

When a poll-book is presented by any returning officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment thereof in writing, stating therein the time when he received it.

No registration fee is demanded for poll-books, and prepayment of the postage is optional, without regard to weight.

III.—DELIVERY.

Letter-carriers and Rural Messengers are prohibited, under pain of dismissal, from demanding or receiving any payment beyond the postage on letters, newspapers, &c., which they are required to collect or deliver; or from distributing any letters, newspapers, &c., whether before beginning their rounds, whilst on their rounds, or after they may have completed them, except those which have been regularly posted.

Delivery at Window.

Except where the number of daily deliveries is considerable, and where, therefore, the Surveyor considers such a regulation unnecessary, letters are delivered at the window after the arrival of every mail (within office hours) as soon as they can be sorted. In all cases, however, when there is a corresponding delivery by Letter Carriers, the window delivery (whether to the holders of private boxes or to the public generally) does not begin till the Letter-Carriers have left the office, nor is it allowed in any way to delay the departure of the Letter-Carriers.

In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post-Office, although for persons residing within a free delivery from such office, but who have no private box, a postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers, except letters addressed to the military in barracks.

Letters “To be Called for.”

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed “Post-Office till called for.” Letters addressed to “Initials,” “Numbers,” or “Fictitious Names” cannot be received at the Poste Restante; if so addressed they are returned to the writers.

Private Boxes and Bags.

Any person can have a private box who is willing to pay the appointed fee. Where this fee goes to the Revenue, it is fixed at one guinea per annum, to be paid in advance, and for a period ending 31st December; and where it goes to the Postmaster, he may demand the same terms, though he may, at his option, take less. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half-a-guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the Surveyor.

IV.—POSTAGE STAMPS.

Every Postmaster is required to have on hand a sufficient stock of postage labels and penny stamped envelopes, and to sell them to the public at the following prices:—

Stamped Labels.

Penny Labels,	1d. each.	Fourpenny Labels,	4d. each.
Twopenny do.,	2d. each.	Sixpenny do.,	6d. each.
Threepenny do.,	3d. each.	Ninepenny do.,	9d. each.
Shilling Labels,	1s. each.		

Stamped Penny Envelopes.

12 to be sold for	1s. 1½d.	4 to be sold for	4½d.
8 ” 	0s. 9d.	2 ” 	2½d.
6 ” 	0s. 6¾d.	1 ” 	1½d.

Every Rural Messenger is authorised to sell postage stamps (including stamped envelopes) at the same prices at which Postmasters are empowered to sell them; and is required, when he begins his round, to have in his possession ready for sale at least five shillings' worth of penny labels.

Stamps.

Prepayment of inland letters, &c., must be by stamps, except at the Chief Post-Office, London. In the prepayment of books stamps only must be used; but prepayment of letters to the colonies or places abroad, and in the case of letters posted in Malta, Gibraltar, Constantinople, the Colonies, in the West Indies, under the control of the Postmaster-General, may be made either in stamps or money. Except by soldiers and sailors in Her Majesty's service, British postage stamps are not available in the payment of letters, &c., *coming into the country.*

V.—MONEY-ORDERS.

The public are recommended, when applying for Money-Orders, to use printed “Application Forms,” which save time, and afford greater security, than verbal messages, against mistakes. These forms are supplied gratuitously at all Money-Order Offices.

The commission on inland Money-Orders is as follows :—

On sums not exceeding	£2,	3d.
Above £2, and	5,	6d.
„ 5, „	7,	9d.
„ 7, „	10,	1s.

The commission on Money-Orders, payable in any of the Colonies with which Money-Order business is transacted, is fourfold these sums, except Gibraltar and Malta, in which cases the commission is threefold.

No order is allowed to contain a fractional part of a penny.

With the subjoined exceptions, no Money-Order can be issued unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (the person to whom the money is to be paid,) together with the remitter's address :—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice, except a company trading under a title which does not consist of the names of the persons composing it, as the “Carron Company,” to which kind of company the above privilege does not extend.
2. Money-Orders for transmission by the Public to the Privy Council Office will be issued payable to “The Privy Council Office,” the name of the payee not being required in these cases.
3. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee; and he may, if he wish it, substitute for the name of the payee any other designation or any modification of the name; as for example :—“The Cashier of the Bank of England;” “The Chief Clerk of the Foreign Office;” “The Publisher of the *Times*.”

When application is made for a Money-Order payable in London, or at any other town where there is more than one Money-Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head-Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office or alteration of name be required, the remitter must apply to the paying Postmaster according to the directions printed on the back of the order.

The remitter of an order may make that order payable ten days after date, provided he sign the requisition “C” printed on the order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

When an order is presented for payment, (otherwise than through a bank,) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person,) and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money-Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary money-Order is dispensed with.

Money-Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March,) otherwise the order becomes lapsed, and a new order will be necessary, for which a second commission will be charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorised to transact Money-Order business, including Gibraltar and Malta, is six months, and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. Any person presenting a lapsed order will be furnished with a copy of a printed notice headed “Lapsed Money-Orders,” containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January,) all claim to the money will be lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money-Order at the expected time; and after once paying a Money-Order, by whomsoever presented, the Office is not liable to any further claim.

To guard against the loss of a Money-Order, the public are cautioned—

1. Never to send the Money-Order in the same letter with the information required on payment thereof.
2. To see that the name of the person taking out the order is correctly known to the person in whose favour it is drawn.

Under no circumstances can payment of an order be demanded on the day of issue.

In case of the miscarriage or loss of an inland Money-Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Comptroller of the Money-Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, a similar application, with enclosure of postage stamps, must be made to the Comptroller of the Money-Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money-Order should be required, application must be made by the remitter to the Postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money-Order Office, and full instructions on the subject will be found printed at the back of the Money-Order. Whenever, on complaint being made, it is found that the necessity for an application entailing the payment of a fresh commission is attributable to the Post-Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing Postmaster.

No Letter-Carrier or other servant of the Post-Office is bound to procure a Money-Order for any person, or to obtain payment for one, but such services are not forbidden.

Money Orders are issued at all Money-Order Offices in the United Kingdom of Great Britain and Ireland, on Money-Order Offices in Canada, Cape of Good Hope, New South Wales, New Zealand, Queensland, South Australia, Victoria, and Western Australia, and by the Offices in those colonies on any Money-Order Office in the United Kingdom, at a charge of 1s. for any sum not exceeding £2, 2s. for any sum above £2 and not exceeding £5, 3s. for any sum above £5 and not exceeding £7, 4s. for any sum above £7 and not exceeding £10, beyond which amount no single Order can be granted.

The renewal of a relapsed Colonial Order, the issue of a duplicate Order, or the stoppage of payment of an Order, will be made on application to the Controller of the Metropolitan Office of the country in which such *Colonial Order is payable*, provided an additional Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of the colonial orders originally drawn on their own offices.

For repayment of the amount of a Money-Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order, the application on the subject, enclosing an additional Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the country in which such *Colonial Order was issued*.

VI.—MISCELLANEOUS RULES.

With the following exceptions, no letter, &c., can be forwarded by the post which is more than two feet in length, breadth, or depth. The exceptions are—

1. Packets to or from places abroad.
2. Packets to or from any of the Government Offices or Departments, or Public Officers.
3. Petitions or addresses to the Queen, whether directed to Her Majesty, or forwarded to any member of either House of Parliament.
4. Petitions to either House of Parliament, forwarded to any member of either House.
5. Printed Parliamentary proceedings.

No information can be given respecting letters which pass through a Post-Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Letters must not be returned to Writers.

Postmasters are not authorised to return any letter, &c., to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon; as every letter, &c., must be delivered to the person to whom it is directed, and to him alone.

Late Letters.

Late letters, &c., are received till within five minutes of the despatch of the mails, except in those large towns where the Surveyor may deem an interval of ten minutes necessary, and excepting that no office is to be kept open merely for this purpose after ten o'clock at night.

Prepayment of late Letters.

No late letters, &c., must be forwarded by the mail preparing for despatch unless prepaid, and that in stamps, so as to include both the ordinary postage and the late-letter fee.

Re-directed Letters, &c.

With the subjoined exceptions, every re-directed letter, newspaper, or other postal packet, is liable to an additional postage, (at the prepaid rate,) unless the re-direction be made by an officer of the Post Office, and be within the district belonging to the same Head Office. Thus, on a paid or unpaid letter, re-directed by an officer of the Post-Office to any other postal district in the United Kingdom, and weighing not more than half-an-ounce, an additional postage is levied of one penny; or if the weight be more than half-an-ounce but does not exceed an ounce, of twopence; and so on. Upon a book thus re-directed to any other postal district in the United Kingdom, and weighing not more than four ounces, an additional postage of one penny is levied; or if the book weigh more than four ounces, but not exceeding eight ounces, an additional postage of twopence; and so on. A registered letter, when re-directed, is not subject to more additional charge than an ordinary letter. Letters addressed to commissioned officers in the army, navy, or ordnance, employed on actual service in any of Her Majesty's colonies, or on any foreign station, may be re-directed to such officers when removed *upon service*, (whether at home or abroad,) and are delivered to them for the same amount of postage that would have been chargeable had they been delivered at their original address. The same privilege extends to the letters of the soldiers and seamen described in the Table of Colonial and Foreign Postage, except as regards foreign postage, which must be paid.

Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

During the time the office is open on Sunday, the public are allowed to prepay foreign or colonial letters, to purchase postage stamps, and to have letters registered; and all other duties as usual, except the issue and payment of Money-Orders, which on that day are wholly suspended.

At no office is there more than one delivery on the Sunday: and any person is at liberty to prevent even this, so far as relates to himself, as shewn in the following regulations:—

1. Any person can have his letters, &c., retained in the Post-Office on Sunday, by addressing to the Postmaster a written request, duly signed, to that effect.
2. Such request will be held to include newspapers, and all other postal packets, even such as may be marked, "immediate," as no distinction can be allowed.
3. No letters, &c., the non-delivery of which by the Letter-Carrier on Sunday has been directed, can be obtained from the Post-Office window on that day.
4. Private box-holders have the option of applying for their letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper, but no person can engage a private box for Sunday only.
5. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor withdrawn, even after the lapse of that time, without a week's notice.

No Postmaster is bound to give change, or is authorised to demand change; and when money is paid to the Post-Office, whether as change or otherwise, no question as to its right amount, goodness, or weight, can be entertained after it has been removed from the counter.

Except as regards foreign and colonial letters about to be prepaid in money, a Postmaster is not bound to weigh any letters or other packets for the public, though he may do so if his duty be not thereby impeded. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post-Office. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything explosive or combustible.

By the 1st Victoria, cap. 36 sec. 2, any person illegally conveying letters incurs a penalty of £5 for every offence, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every offence, with full costs of suit.

The following are exceptions from the exclusive privilege of the Post-Office in the conveyance of letters:—

1. Letters sent by a private friend, so as such letters be delivered by such friend to the party to whom they shall be directed:
2. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof, commissions or returns thereof, and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice:
3. Letters sent out of the United Kingdom by a private vessel (not being a packet-boat):
4. Letters of merchants, owners of vessels of merchandise, or the cargo or loading therein sent by such vessels of merchandise, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise:
5. Letters concerning goods or merchandise sent by common carriers to be delivered with the goods which such letters concern, without payment for receiving or delivering such letters.

But the following persons are expressly forbidden to carry a letter, or to receive or deliver a letter, even though they shall not receive payment for the same.

- a. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack-horses; and owners, drivers, or guards of stage-coaches.
- b. Owners, masters, or commanders of ships, vessels, steam-boats, or boats called or being passage or packet-boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board:
- c. Passengers or other persons on board any such ships, vessels, steam-boats, or passage-boats:
- d. The sailors or others on board a ship or boat [passing on a river or navigable canal within the United kingdom or other Her Majesty's dominions.

Inland Pattern and Sample Post.

With reference to the revised rules of the Inland Pattern and Sample Post, which were published on the 27th March, it has now been decided to modify the rule No. 6, and to permit the transmission of samples of seeds, &c., intended for delivery within the United Kingdom, in bags entirely closed, provided that such bags be transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents.

It is to be distinctly understood, that this modification relates only to the *Inland Pattern and Sample Post*.

Letters for Constantinople via Vienna and Kustendjie.

The postal communication has been re-established between Vienna and Constantinople by way of Tchernavoda and Kustendjie.

Mails for conveyance by this route are despatched from Vienna twice a week, viz., on Tuesdays and Saturdays; and Letters from the United Kingdom intended to be forwarded by such Mails will, in the ordinary course of post, be in time for the Mail of Tuesday, if despatched from London *via* Ostend on the evening of the previous Saturday, and for the mail of Saturday, if despatched from London on the morning of the previous Thursday.

Letters for Constantinople, which the senders may desire to forward by this route, must be specially addressed "*via Kustendjie*."

The postage chargeable upon letters will be the same as *via* Trieste, viz., 11d. for a letter not exceeding half an ounce in weight, when prepaid, and 1s. 1d. if sent unpaid.

NOTE.—The Postal information here furnished can only be regarded as correct up to the time of the publication of the Directory, as alterations in the Mail arrangements are constantly taking place.

A List of the Despatches and Arrivals of the Mails is published Quarterly, (price 6d.,) and may be had at the General Post-Office, Waterloo Place.

HACKNEY CARRIAGES IN EDINBURGH.

FARES BY DISTANCE

1st, The distance to which any Hackney Carriage may be driven under these Bye Laws, shall be seven miles from the Cross of Edinburgh.

2d, When a Party not exceeding two grown-up persons, and without any luggage other than a carpet bag or the like, enters a carriage at a Stance, or when driving along disengaged, they shall be driven half a mile for 6d., and if they return they shall pay the same fare; the driver shall draw up to either side of the pavement when called, and if detained more than five minutes before starting he shall be entitled to sixpence for waiting,

N.B.—This rule shall not apply to Fares from Railway Stations.

3d, Excepting the Sixpenny Fare, the Fares by distance shall be shewn in the annexed Table of Fares. The charges in the Table shall include going from the Stance or Stable to the Hirer's Residence, and waiting ten minutes. But if the Carriage be detained, before starting, more than ten minutes, a charge of waiting at the rate of 6d. for each quarter of an hour, or part thereof, after the expiry of the ten minutes, shall be allowed, and if the place where the Hirer is to be taken up be beyond half a mile from the Stance or Stable whence the Carriage is taken, there shall be a charge of Sixpence for such distance.

4th, When any place is not mentioned in the Table, the Fare shall be the same as that to any place mentioned which may be in the immediate vicinity.

5th, When the Fare of any particular place not mentioned cannot be ascertained by reference to a place in the immediate vicinity, the Fare shall be 1s. for a distance from the Stance not exceeding a mile and a half, and *Sixpence* for every additional half-mile or part thereof.

6th, Half Fare returning with the party, excepting the half-mile drive.

7th, When parties return, (which they shall have the option of doing,) and the Fare going is 1s., the Carriage shall wait ten minutes without any charge for waiting; when 1s. 6d., fifteen minutes; when 2s., and upwards, twenty minutes. If the Carriage be detained longer, a charge shall be allowed for waiting, at the rate of 6d. for every twenty minutes, or part thereof, commencing at the periods when the free waiting expires.

8th, When a carriage is called but not used, a charge of 6d. shall be allowed, if the place to which it is called be under half a mile from the Stance or Stable, and 1s. if beyond that.—Waiting as in Section 7th.

FARES BY TIME.

It shall be in the option of the Hirer to employ a Carriage within the Municipal Bounds by time, for *bona fide* SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

For an AIRING into the Country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be sixpence for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an Airing. Unless the Hirer wishes a slower pace, the rate of driving when out an Airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the Hirer, it shall be optional for the Hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1st, The Hirer pays Tolls.

2d, If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above Six years of age, and under Twelve. No additional charge for one child above Six to Twelve or children under Six years.

3d, From Twelve at Night till Seven Morning, double Fare.

4th, The above Fares are for One-Horse Carriages, and there shall be no additional charge when two horses are used.

5th, Owners or Drivers may agree to drive at lower Fares than those fixed. In that case, should they demand more than the Fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For Luggage, exceeding 100 lbs. in weight, there shall be a charge of 6d. extra. But there shall be no charge for Luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

TABLE OF FARES.

Is the following Table of Fares the Streets and Stances are arranged alphabetically.

Note.—To prevent disputes or loss of Property, every Party on entering a Carriage should ask for a Reference Ticket, which the Driver is bound to give. The Reference Ticket shall be in the following terms, viz. :—

"One Thousand Eight Hundred and Forty-nine years.

"Which day the Magistrates of the City of Edinburgh being assembled, did, and do hereby, in virtue of the 243d section of the Edinburgh Police Act, 1848, enact and ordain the following Bye-laws for regulating the Chimney-Sweepers of Edinburgh, acting as such within the limits of the said Act.

"W. JOHNSTON, *Lord Provost.*

"JOHN MELVILLE, *B.*

"J. H. STOTT, *B.*

"AND. TAIT, *B.*

"WM. TULLIS, *B.*"

BYE-LAWS AND FARES.

1. No person shall be permitted to act as a Chimney-Sweeper within the limits of the said Act, unless such person shall have been licensed by the Magistrates, either by directly holding a Badge from them, or from a Master Chimney-Sweeper licensed by them; and each person receiving a Badge as a Chimney-Sweeper shall accept it on the condition that he shall observe these Regulations, and any others the Magistrates may from time to time enact.

2. Before receiving such licence, he shall (if required) produce a certificate of his good character, and shall also find caution acted in the Burgh Court Books for his good behaviour, honesty, and intromissions, and to observe and obey these Regulations, or any others the Magistrates may think proper to make for regulating Chimney-Sweepers, under the penalty of Forty Shillings, attour performance; and when his cautioner dies, or leaves Edinburgh, the Chimney-Sweeper shall give intimation thereof to the Depute City Clerk, and find another cautioner.

3. Each Master shall receive a Badge for himself, and one, bearing his name, for each of the men in his employment, for whom he shall be responsible, and shall produce when required to answer to any complaint which may be brought against him for a contravention of these Regulations; and failing his producing the man, the complaint shall proceed against the Master. Any Chimney-Sweeper holding a Badge from a Master after leaving or being dismissed from his service, and refusing or delaying to deliver the same when required, shall be liable in a penalty of Forty Shillings.

4. When a chimney takes fire, only the two Chimney-Sweepers with Badges first present will be entitled to enter the premises for the purpose of extinguishing the fire, unless others are specially called by the occupiers, or by the Police, to assist; and no Chimney-Sweeper will be entitled to refuse his assistance in extinguishing fires when called for.

5. Chimney-Sweepers failing or refusing to shew their Badge when demanded may be denied admittance to any house, the chimney of which is on fire; and no person shall refuse admittance to the first two licensed Chimney-Sweepers who may present themselves, or to any others who may be required, whether Firemen or Chimney-Sweepers, for the purpose of extinguishing a chimney on fire in the premises.

6. Chimney-Sweepers wilfully injuring or destroying chimney-stalks or cans, or grates, will be liable in the penalty in the foresaid Act, and also in reparation and restitution of the property destroyed.

7. No licensed Chimney-Sweeper shall be entitled to refuse an engagement to sweep a chimney or chimneys when required.

8. Each Chimney-Sweeper shall wear his Badge on the breast of his outer garment, and shall always be provided with ropes, besoms, brushes, ladders, bags, and all other implements necessary for sweeping chimneys and extinguishing fires. He shall be ready on all occasions to serve the inhabitants; and shall always conduct himself in a civil and decorous manner. He shall also be provided with a copy of these Regulations, and shall shew the same and his Badge when and by whomsoever required. No Chimney-Sweeper shall transfer or lend his Badge to another.

9. All fares shall be charged according to the annexed Table; and any person committing any breach thereof, or of these Regulations, shall be subject to a penalty not exceeding Forty Shillings, besides deprivation or suspension of licence.

10. The City Officers and Constables of Police are authorised and enjoined to see these Regulations enforced, and all complaints arising out of any breach thereof shall proceed, at the instance of the Procurator Fiscal of the City, before the Magistrates.

SCOTTISH UNION INSURANCE COMPANY.

PROGRESS OF THE COMPANY.

THE Number of LIFE POLICIES issued during the four years of the current quinquennial period—
 viz. from 1st August, 1861—has been 4057
 Insuring sums to the amount of £1,841,199

The next Investigation and Division of Profits takes place on 1st August 1866, when the Profit made during the five years preceding falls to be divided among the Policy-holders entitled to participate.

All Policies taken out before 1st August 1866 will share in the Division.

DIVISION OF PROFITS.

Every five years each Policy-holder entitled to participate receives a share of the surplus in exact proportion to the Premiums paid during the five years, with accumulated interest thereon. The share of Profits so allocated is then converted into a reversionary Bonus, according to the age of the party.

While this system gives to each an exact proportion, it will be found alike favourable to young lives, whose prospects of longevity are greater, and to parties entering at middle life or the more advanced ages; the Premiums paid by them being higher than at earlier ages.

BONUSES

have been declared in 1841, 1846, 1851, 1856, and 1861. At the last Investigation in 1861

A REVERSIONARY BONUS was allocated upon those Policies entitled to Participate, in proportion to the Premiums paid during the five preceding years, varying from about one to upwards of one and a half per cent. per annum on the sums assured, according to age and duration of the Policy.

BONUS declared every Five years, and may be applied at the option of the Assured, in any of the following ways:—

- I. IT MAY BE ADDED TO THE SUM ASSURED.
- II. APPLIED IN REDUCTION OF FUTURE PREMIUMS; OR,
- III. SURRENDERED FOR ITS PRESENT VALUE IN CASH.

CLAIMS are paid within Three Months after satisfactory evidence is produced of the death of party insured.

PROSPECTUSES and all other information may be had on application at the Offices of the Company in Edinburgh, London, or Dublin, or at any of the Company's Agents.

Edinburgh Life Assurance Company—Continued.

THE following are the advantages given by this Company :—

Moderate Rates of Premium, either Yearly, Half-yearly, or Quarterly.

Nine-tenths of the whole Profits divided among the Assured, without incurring any liability.

Security.—The guarantee of a responsible body of Proprietors, in addition to *Large Accumulated and Invested Funds*, affords the most undoubted security to all classes of Assurers.

The following are a few examples of Bonus Additions on some of the Company's Policies (according to age and endurance) under Five Declarations of Profits to 31st August 1863 :—

Age Assuring.	Sum Originally Assured.	Total Bonuses declared to 31st August 1863.	Amount with Bonus Additions.
50	£999	£2208 7 0	£3207 7 0
48	1500	2832 13 0	4332 13 0
51	500	882 16 0	1382 16 0
53	407	561 8 0	968 8 0
46	300	405 6 0	705 6 0

42	300	372 3 0	672 3 0

A more extended Table of Bonus Additions, *all exceeding One Hundred per Cent. of the sum originally insured*, is given in the Company's Prospectus.

Liberal Resolutions as to Policy Conditions give to the Assured every facility consistent with sound principles of business.

Parties requiring Insurance *at the lowest immediate outlay* can effect such object by a scale of Non-participating Insurance *equally moderate and more advantageous than the usual Half-Credit System*. For Terms, see Prospectus.

Thirty days allowed for payment of Premiums, after they become due, and *in the event of the party dying, payment within the thirty days, by the representatives, is held sufficient for preserving the Policy*.

Policies in this Office no way affected by the Assured serving in Volunteer Corps.

Prospectuses and Printed Forms of the Proposal and Declaration for effecting an Insurance, may be had, gratis, at the Head Office, or from any of the Company's Agents.

No Entrance Money, nor any charge beyond the payment of the Premium, in effecting a Policy.

Very moderate Rates, without Participation, equivalent on Young Lives to an immediate Bonus of considerable amount.

Claims paid three months after proof.

THE Directors invite special attention to three most vital considerations:—

FIRST.—By publishing the details of their **Balance Sheet**, and of the principles adopted in their periodic investigations, they enable every one interested to judge of the **soundness and stability** of the Company, and give the best guarantee for continued prudence in all their operations.

SECOND.—Whilst making the ample provision for future liabilities, of which the evidence has just been referred to, they have made **Bonus Additions** to their Policies in the Life Assurance Branch at the rates successively of **one pound;—one pound five shillings,—and one pound twelve shillings and sixpence per cent. per annum**. These Bonuses will stand a favourable comparison with those declared by the oldest and most successful Life Offices in Scotland, whether mutual or proprietary, when the relative rates of premium are taken into account.

THIRD.—Whilst thus providing for safety on the one hand, and for liberal Bonuses to the Assured on the other, the Directors have had the satisfaction of accumulating large additions to the **Paid-up Capital and Reserve**. These have greatly increased the security of the persons insured, and at the same time have improved the value of the Stock to the Shareholders in a degree far exceeding the experience of the great majority of Scottish as well as English offices, notwithstanding the greater age, and in some cases the more extensive transactions of these offices.

Every description of Life Assurance, Fire Insurance, and Annuity Business transacted on the most favourable terms.

LIFE DEPARTMENT.

Advantages offered by the Caledonian Insurance Company:—

Increased Bonuses have been declared at each division of Profits.

Credit given for half the Premium for the first seven years, or one-third of the Premium for Life.

The Payments may be Quarterly, Half-Yearly, or Annually.

A Policy can be made to determine at a stipulated age, or sooner, in case of death.

A Prospective or interim Bonus equal to an Annual Division of Profits, given to Policies of Five Years' standing, which emerge between Periodical Investigations of the Life Business.

Charges of Management are unusually small, thus securing to Policy-holders large returns.

Under the ordinary Policies which the Company now issue to non-seafaring men, in time of peace, permission is given to travel throughout Europe, or remain in any part thereof, to go to and reside in Canada, the United States of America (north of lat. 38°,) New Zealand, Australia, and many other places, FREE OF CHARGE.

All undue restrictions removed, and a liberal interpretation given to Policies, so as to render them as serviceable as possible to the holders.

No Extra Premium required from those belonging to Volunteer Rifle or Artillery Corps.

POLICY-HOLDERS incur no liability of Partnership, the Company being a Proprietary one.

The Company holds itself liable should death occur during the thirty days of grace, which are allowed for renewal, provided the Premium be paid within that time.

A Policy can be renewed, if allowed to drop, within thirteen months, on a certificate of health being given and a fine paid.

After three yearly payments the surrender value of a Policy will at once be lent at a moderate rate of interest. The convenience of this is obvious.

FIRE DEPARTMENT.

Nearly all classes of risk are insured by the Company, and at rates as low as are consistent with safety. Claims are adjusted with liberality, and settled with promptitude. *Losses by gas explosions, in property insured by the Company, admitted, and property burnt by lightning paid for.* All the advantages of the reduced duty given.

THE distinguishing feature of this Company is the equitable manner of dividing the profits, whereby policies become payable during the lifetime of the Assured at the ordinary whole life rate of premium, which system is peculiarly favourable to young Assurers.

The **POLICIES** issued by this Company are more valuable than ordinary Policies, inasmuch as they are relieved of all unnecessary restrictions, and after three years are (without application) wholly indefeasible and indisputable, and extraordinary facilities are granted to the Assured to keep their Policies in force.

ACCUMULATED FUND, £300,000

ANNUAL REVENUE, £104,000

THE COMPANY was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

THE COMPANY has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

THE RAPID PROGRESS of the Company is seen in the fact that the New Life Business of the last quinquennial period, which closed on the 31st of December 1862, was 148 per cent. more than that of the preceding similar term; while the Fire Premiums were 185 per cent. more.

DURING THE YEARS 1863 and 1864, which constituted the first two years of the current quinquennial period, 1137 new Life Policies, assuring £322,210, were issued, exhibiting a steady increase on the previous business done; while in the Fire Department the increase was equally observable.

ALL CLAIMS are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

THE LARGE CAPITAL of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policy-holders, who are in no way involved in the mutual liabilities of Partnership.

A CASH BONUS of 22 PER CENT., equivalent to a REVERSIONARY BONUS of from 30 to 60 PER CENT., according to the age of the Assured, was declared at the last Division of Profits.

THE PREMIUMS charged by this Company will contrast favourably with those of other Offices.

LOANS from £50 to £1000 are granted by the Company on Personal Security, and the assignment of a Life Policy to be effected with the Company.

POLICIES issued on the CREDIT SYSTEM, in the case of Assurances for the Whole of Life for £250 and upwards. Half the Premium for five years, or one-third for the Whole of Life, may remain as a Debt on the Policy.

Insurances of every description, both HOME and FOREIGN, effected at Moderate Rates. No charge for Policy Stamps.

LIFE INSURANCE.

The Premiums received in 1865 were £250,103, and the Annuities paid amounted to £41,364. The Fund accumulated to meet these Liabilities is £1,775,059. The Liability of Proprietors is unlimited. BONUSES on Life Policies are GUARANTEED when the Insurance is Effected.

THE ANNUITY Rates are extremely liberal, and every facility given to purchasers as to place and time of payment.

CLAIMS UNDER POLICIES have at all times been properly adjusted and paid, and in the course of twenty-eight years have exceeded FOUR MILLIONS AND A HALF STERLING. This test, and the present revenue, are conclusive evidence of the satisfactory way in which the business of the Company is conducted.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every THREE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

IN addition to the ordinary Business transacted by Fire and Life Assurance Associations, this Society is specially authorised by its Act of Parliament to Guarantee Officials in every Department under Government, and is the **ONLY SOCIETY** whose Guarantee Policies are accepted by Government.

THE COMBINATION OF GUARANTEE WITH LIFE ASSURANCE, which is a feature introduced by this Society, affords important advantages to the Assured, as considerable reductions are made on the Guarantee Premiums (in some cases equal to the whole Annual Payment,) depending upon the relative amounts of the Life and Guarantee Risks.

ANNUITIES are granted by the Society, either as Immediate, Deferred, or Reversionary, upon liberal terms. The following will show the *Immediate* Annuity granted for every £100 at the respective ages:—

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance.

The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connexion with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1385, 16s.: those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The business in this department has been greatly extended within the last few years.

Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from explosion of gas are paid by this Company.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

BY THE PECULIARLY EQUITABLE MANNER OF DIVIDING THE PROFITS, the Policies issued by this Association become payable during the lifetime of the person assured without extra Premium. This is accomplished by appropriating to the extinction of the last payments of premiums those profits which are generally applied by way of Bonus, thus providing against the often-urged objection, "That Assurers do not themselves reap the benefit of their payments," and adding to the stability of the office instead of weakening its resources.

WHOLE WORLD ASSURANCES.—Certificates, permitting unrestricted Whole World travel and residence, are granted on one payment of 10s. per cent. on the sum assured, provided the assured life shall not be under twenty-five years of age, and shall not be in the Army or Naval Employment; and shall also satisfy the Directors that he has no present intention of going beyond the prescribed limits.

It appears from the Twelfth Annual Report, that for the year ending December 31st, 1865:—3515 Proposals have been received for £1,047,532, and 2769 Policies issued, Assuring the Sum of £829,926, and yielding in annual Premiums the Sum of £25,200, 17s. 11d.

The following Table exhibits the steady yet rapid progress of the business of the Association:—

Table, showing the New Business of the Association since its commencement, divided into Triennial Periods.

Triennial Periods inclusive.	No. of Proposals.	Amount Proposed.	No. of Policies.	Amount Assured.	New Annual Premiums.
1854 to 1856	1290	£302,875	914	£172,125	£6,090 19 8
1857 to 1859	5882	1,150,530	4155	796,255	25,008 13 1

1863 to 1865	9942	2,612,845	7551	2,019,264	63,634 14 2

The INCOME from all sources has increased to £171,994, 4s. 10d.

After deducting these claims, as well as all other outgoings, the BALANCE OF THE YEAR'S INCOME OVER EXPENDITURE is £70,634, 4s. 4d.

The ASSETS now amount to £490,389, 10s. 7d., or nearly Half a Million of money.

WHILE affording all the advantages and facilities usual with other Offices, this Institution possesses SPECIAL AND ATTRACTIVE FEATURES peculiar to itself; and DURING THE TWENTY-SEVEN YEARS of its operations it has largely contributed to the extension of Life Assurance throughout the whole of Great Britain and Ireland, as well as British North America.

THE SYSTEM AND REGULATIONS have been framed, and from time to time improved, so as to secure to the Policy-holders not only the utmost Value for their Payments, but especially the following:—

As SMALL PRESENT OUTLAY as possible.

NO RESPONSIBILITY, whether of Partnership or Mutual Assurance.

NO LIABILITY TO FORFEITURE, or so little that only gross carelessness can affect the Policy.

A LIBERAL RETURN to the Policy-holder, if he desire to relinquish his Policy; or, THE LOAN of a Sum nearly equal to its OFFICE-VALUE *without cancelling the Policy*.

Assurers have the Choice of Two Schemes, each of which has its peculiar and distinctive advantages:—

ORDINARY ASSURANCE.

Class (A).—By which the expense of Life Assurance is reduced to the lowest scale consistent with security, the Profits being applied in reducing the Premiums.

UNCONDITIONAL ASSURANCE.

Class (B).—Under which the Policies are in effect Non-forfeitable and Unquestionable. There are no restrictions as to Residence or Occupation.

A CONSIDERABLE PORTION OF THE PAYMENTS required for a Policy for the first six or ten years may also REMAIN UNPAID so long as the Assured pleases, without at all affecting the Assurance otherwise. Present Outlay is also further diminished by means of the Association's INCREASING POLICIES, in which the Sums Assured increase by the mere lapse of time to *double* the original amount; while the Premiums payable by the Policy-holders either remain fixed, or, in the Participating Class, are reducible by application of Profits.

THE Directors invite attention to the advantages which are offered by this Company to the public, and which combine PERFECT SECURITY, MODERATE PREMIUMS, and LIBERAL PARTICIPATION IN PROFITS.

The Condition in regard to FOREIGN RESIDENCE and TRAVEL are highly favourable to the Assured, and Policies are declared Indisputable on any ground whatever at the end of Five Years from their date, (provided satisfactory evidence of age has been produced.)

The amount of New Business transacted by the Company during the past year (to 20th January 1866) has been in excess of that of former years. Eight Hundred and Fifty-One Proposals were made to the Company, to assure in the aggregate £487,688, out of which number 713 were carried through, assuring the sum of £402,488, and adding to the Income of the Company £13,460, 19s. 2d. in New Premiums.

The recent Rapid Progress of the Business is shown by the following Table:—

	Policies Issued.	Sums Assured.	New Premiums.
Average of the Five Years, 1855—1859	396	£227,612	£6,200
Average of the Five Years, 1860—1864	404	274,522	9,329
Year ending 20th January . . 1865	563	360,032	12,097
Year ending 20th January 1866	713	402,488	13,461

The special attention of Parties intending to Assure is requested to the

HALF PREMIUM SYSTEM, WITHOUT DEBT OR INTEREST.

Under it Assurances can be effected at half rates for Five Years without any debt being created as in the half-credit systems. It offers peculiar advantages to persons of moderate but progressive incomes, who may find it inconvenient at first to pay the full Premium.

POLICIES granted free of any charge for Stamp Duty or Medical Fees.

THIS OFFICE, being purely MUTUAL, the WHOLE PROFITS BELONG TO THE ASSURED. The Society has endeavoured to place its Rates and Rules on the most equitable and liberal footing; and its affairs are administered by Directors whose interests are identical with those of the Assured.

IMPORTANT RESOLUTIONS have been adopted, relieving the Policies of many usual restrictions; and the Assured are now entitled, after Five Years' continuous residence in this Country, to travel and reside in any part of the World, without payment of extra Premium.

PARTICULAR ATTENTION is invited to the Special Pamphlet, explaining the system of Minimum Premiums introduced by the Society, under which it is believed that Assurances can be effected *more economically* than in other Offices. The following is an extract from the Table of Annual Rates:—

Table AC—Minimum Premiums for Assurance of £100.

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company, but differing from the old system, in respect that no reduction takes place on the assured returning to Europe or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

Insurance Lists, Forms, and Prospectuses tastefully printed. Trade Catalogues and Lists rapidly and economically produced.

Additions are constantly being made to the already extensive Printing Plant; and by giving close attention to every improvement in Typography, they hope to maintain the prestige earned by the Establishment in its connexion with the first Publishing Houses in the Kingdom, during upwards of half a century.

Estimates supplied for Composing, Stereotyping, and Printing Books or Serials in any style or quality of work, including paper and binding if required.

CARRIAGE PAID TO ALL PARTS OF THE COUNTRY.

MUTUAL LIFE ASSURANCE.

THE CORPORATION OF

The Scottish Provident Institution.

Established 1837.

Incorporated 1843.

No. 6 ST. ANDREW SQUARE, EDINBURGH.

This Society differs in its principles from any other Office.

INSTEAD of charging rates admittedly higher than are necessary, and afterwards returning the excess, or a portion of it, in the shape of periodical Bonuses, it gives from the first as large an assurance as the Premiums will with safety bear—reserving the Whole Surplus for those Members who have lived long enough to secure the common fund from loss on account of their individual Assurances.

A Policy for £1200 to £1250 may thus at most ages be had for the Premium elsewhere charged to assure £1000 only ; while the result of the equitable mode of reserving the surplus has been, that Policies originally for £1000, which have shared at two septennial Investigations, have already been increased to £1300, £1500, and even to £1700—to be further increased (in the case of those which may then subsist) at the Division of Profits to be made at the close of the present year.

ITS TERMS are therefore well calculated to meet the requirements of intending Assurers ; and they are specially adapted to the case of Provisions under Family Settlements or otherwise, where it is of importance to secure, for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

THE DIRECTORS' REPORT to the *Twenty-eighth Annual Meeting* stated that “the progress of the Institution in the year 1865 is the most favourable which they have yet had the satisfaction of reporting.” The New Assurances were 1030, for £501,905 : 13s., with £16,232 : 5s. of Premiums. The claims were only £53,123 : 19s., being little above one per cent on the amount assured. The Accumulated Fund, which amounts to £1,133,471 : 2 : 7, had increased by £110,000 in the course of the year.

ROBERT CHAMBERS, LL.D., in moving its approval, referred to the distinctive principle of the Office—the reservation of the Surplus—as “one which I always find recommends the Institution very much to strangers, when I have had occasion to discuss with them the characteristics of the various Offices.”

Above 15,000 Policies have been issued. The Subsisting Assurances exceed Five Millions. The Annual Revenue is £200,000. The Accumulated Fund, arising entirely from Premiums, is upwards of £1,130,000,—the whole of which is invested in unexceptionable securities in this country.

The Scottish Provident Institution.

TABLE OF PREMIUMS, PAYABLE YEARLY DURING LIFE,
For Assurance of £100 at Death. With Profits.

29	2 0 8	39	2 12 11	49	3 18 1
30	2 1 6	40	2 14 9	50	4 1 7

The Rates of all the Offices will be found in Letts' Diary, &c. A comparison will show how very favourable are the terms of this Institution to Assurers.

TRANSFER OF ASSURANCES.

FROM the lowness of these Rates, this Society is peculiarly suited to the case of those who have joined Offices of less established position, and may wish to transfer their Assurances. Even after 10 or 12 Years, there may be a pecuniary gain in surrendering the existing Assurance, and opening a new one with this Office.

TABLE OF PREMIUMS, PAYABLE FOR TWENTY-ONE YEARS ONLY,
For Assurance of £100 at Death. With Profits.

Age.	Premium limited to 21 payments.	Age.	Premium limited to 21 payments.	Age.	Premium limited to 21 payments.
21	£2 10 6	31	£2 16 2	41	£3 9 2

30	2 15 4	40	3 7 5	50	4 12 1

Thus a person of 30, if unwilling to burden himself with payment during his whole life, may secure a Policy for £1000 for a Premium of £27 : 13 : 4, *limited to twenty-one yearly payments*—being thus relieved of payment before he has passed the prime of life—for a Premium little higher than most offices require during its whole term.

To PROFESSIONAL MEN, and others, whose income is dependent on the continuance of health and activity, this mode of Assurance is specially recommended.

Tables of Premiums to cease after 7, 14, or other number of years, may be had.

REPORTS with full Tables of Rates, and every information, may be had at the HEAD OFFICE, at the Branches in LONDON, DUBLIN, GLASGOW, &c., or from any of the Agencies.
